Rain Out Policy:

Once all heat races are completed, it is considered an official race. If rain comes prior to the heat races being completed and the races cannot continue, race fans can use their receipt to return to another race. If there is a difference in pricing on the night they return, they would be required to pay the difference. There will be no refund if the race night price is lower than the price the fan paid.

Re-Entry Policy:

Fans are allowed to leave the Grandstand area. A handstamp will be required for re-entry.

Reserved Seats:

The only races with reserved seating will be the World of Outlaw race. Reserved tickets for that race are available at www.slspromotions.com

Restrooms:

Restrooms are located on the Grandstand side of the Raceway. These are open and available for use when the Raceway is open. There are also porta-potties scattered around the property for use anytime.

Severe Weather:

If severe weather strikes during a Wilmot Raceway event, here is some important information. Wilmot Raceway does not provide adequate protection from extremely high winds, tornadoes or lightning. Personal protection is everyone's responsibility. Be proactive and know your plan should severe weather strike. Plan in advance what you, your family and friends will do if severe weather approaches. Monitor the weather closely and take necessary precautions to ensure your safety. The American Red Cross recommends that if you are caught outdoors and cannot quickly

access a shelter, it is best to get into a vehicle and buckle your seat belt until you are able to get to the closest shelter. Wilmot Raceway will provide information on weather related events through the public address system.

Smoking:

The Wilmot Raceway adheres to the Wisconsin state law regarding smoking safety: please take note of all posted signs that there is NO SMOKING allowed within the Raceway except in designated areas. The designated area for smoking is clearly marked and has disposal containers for the disposal of used smoking materials. In addition, included in this restriction are Vapor units and Vaping. As we have many young people and children as guests, please adhere to this policy while visiting so everyone can enjoy a safe and fun atmosphere.

Weather Updates:

The Wilmot Raceway Facebook page (www.facebook.com/wilmotraceway/) and the voice mail at the track will be kept up to date every few hours on race days when rain is a possibility. Check these two places for updates on delay or cancellation of the race program.
